RE: PSCW Docket 137-CE-139: ATC's North Madison to Huiskamp Transmission Project

Judge Marion,

On behalf of the Four Lakes Green Party of Dane County, I am requesting full party status in the above-captioned matter. Four Lakes Green Party is a political party representing residents of Dane County. The Four Lakes Green Party was founded to advance the principles of Ecological Wisdom, Social Justice, Grassroots Democracy, and Nonviolence. These principles are violated by ATC's proposal. First, by ignoring the role that renewable energy and conservation could make in meeting Dane County's energy needs; second by levying unjust rate increases on the citizens we represent, to fund a project which will mainly be of benefit to ATC and other powerful corporations and their stockholders; and finally, by attempting to force this project on the citizens of Wisconsin against the democratically-expressed objections of those citizens.

We are requesting full party status in the above titled matter so as to assert our interest in the issues of the case.

All members of the 4 Lakes Green Party will be affected by the PSCW decision regarding the ATC's North Madison to Huiskamp Transmission Project, as will all ratepayers in the state of Wisconsin. Our interests will not be adequately represented by other parties. Please direct all correspondence on this matter to:

Please call me at (608) 250-9240 if you have any questions regarding this request. Thank you for your attention in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen Burns".
